The Mulberry Bush private day nursery opens at Casterton, Sedbergh Preparatory School this Autumn. Offering easy parent parking for drop-off and pick-up, flexible hours, home-cooked food, extensive grounds and all-weather outdoor play areas, we are building on the success of the Preparatory School and joining forces with an outstanding local Nursery brand. This new venture features a spacious, safe, bright building with the highest standard of professional care.

“As parents, we could not be happier with the level of care and attention that our two children receive. In a short period, both have grown in confidence and this is due in no small part to the daily activities and friendly atmosphere that the nursery provides...

It all starts here. We know that success stems from happiness and, following the best of traditional standards and values, we show kindness and respect for all and offer a nurturing, secure home from home environment. Deciding where your child's first experience of life beyond the family home should be is made simpler by knowing they will be loved and cared for by experienced, confident, caring staff, and because you will see how excited we are by the curiosity this age group has for everything they encounter, and how we place great emphasis on creativity, self-expression and readiness to learn.

The Mulberry Bush staff work closely with children and parents to build strong foundations for your little one's start in life and, for older children, can provide a seamless link to pre-school with qualified teachers.

You can feel content in your decision because joining The Mulberry Bush becomes a choice, not a necessity. We offer a superb array of benefits and an abundance of confidence-boosting experiences and succeed at cultivating a lasting enthusiasm for learning and building friendships beyond the home.
